Things to remember:

- To claim for IVF services, you will need to hold Hospital cover (with or without an excess) and waiting periods apply. Call us on **1800 148 626** to confirm your waiting period.
- If your doctor charges above the Medicare Scheduled Fee, you may have out-of-pocket expenses. It is important to discuss these expenses with your doctor prior to undergoing IVF. We also recommend contacting us prior to any treatment to confirm exactly what you are covered for and any out-of-pocket expenses you may have.
- All info supplied in this fact sheet is based around the 12 month waiting period for obstetrics. If you haven't served this waiting period, you won't be able to make any claims under your level of Hospital cover.

onemedifund is here to help, so if you have any questions, please contact us on 1800 148 626 or info@onemedifund.com.au.
